

# How to make a felt snake

Collect a bag with a piece of white wool.

Choose 6 small pieces of coloured wool.

## In the tray

Lay out the wool on the mat.

Lightly wet the white wool with the soapy water.

Roll the white wool over the coloured wool to make a sausage.

## In the bamboo mat

Roll the snake GENTLY 10 times

Roll the snake FIRMLY 20 times

## Test your snake

If you can balance the snake in the middle of your hand without it bending, it is ready.

If it is floppy, roll it FIRMLY 10 times then check it again.

## At home

Wash out the soap, make it wiggle and leave it to dry
